Let's look at the Text Rendering Protocol about the article together. (Go to next slide 1st)

  - Use EVIDENCE from the text, but put the evidence in your own words.

What does a SUMMARY look like?

This article is mostly about the change of Rome from monarchy to republic. Because of this, Rome successfully took over the peninsula of Italy.

Independent Task:

Complete the remainder of Text Rendering Protocol about the article above. Place your completed Protocol in the Turn-In Basket for your core (10% grade).
