

## **Midterm Re-Focus:**

Many of you have asked for assistance in narrowing down what you need to study for our midterm on Friday. Here are a few helpful hints!

- 1) Geography = understand surplus , irrigation, physical features impact on geography (use that organizer from the beginning of the year that included definitions, advantages, and disadvantages of all different kinds of physical features)
- 2) Prehistory (history before the invention of writing) = review the Neolithic Webquest in Google Classroom (look around September 26th)
- 3) Mesopotamia = geography (agriculture, silt from flooding, fertile soil in between the Tigris and Euphrates Rivers); achievements (wheel, plow, seed funnel, etc.)
- 4) Egypt = geography (Nile River, Nile Delta, silt, flooding, etc.), religion, achievements
- 5) Indus Valley = religion (origins and beliefs of Hinduism and Buddhism; Vedas); social structure (caste system); political structure (Gupta and Mauryan Empires); Gupta achievements
- 6) Judaism = Moses, Ten Commandments, exile outside of Canaan (also known as the Promised Land and also known as Israel); other names for Jewish people = Jews, Hebrews, Israelites
- 7) Be able to read and answer questions about a map or two
